

From the Director:

Dear VERB families,

It's already time to start registration for VERB 2019. We hope that you had a wonderful school year full of learning and fun. We are quite excited for this summer and all the activities and moments in store.

If your child is currently enrolled at Calvary, please log in to your Praxi account and complete the VERB enrollment form. If your child does not attend Calvary Lutheran School, please complete the VERB Application at https://app.praxischool.com/ext_createOnlineForm.php?p=4020&i=1029. VERB Schedules must be turned in by the 20th of the month prior to use. No changes will be made after this date. Payment for the month is due completely prior to use. This is explained in great detail in the VERB Handbook and on the schedule forms. We are looking forward to a fun and wonderful summer at the VERB.

This year we will again be asking that families pickup and pay for the passes to Leawood Aquatics Center. Pool passes can be picked up at Leawood City Hall (4800 Town Center Drive). In years past, we have had a wonderful experience at the Leawood pool. They offer pools for both beginning and experienced swimmers.

Campers should bring their own crate or small laundry basket to keep their belongings in throughout the day. This will allow the campers to keep all of their possessions in one place and will hopefully eliminate some problems of missing items that we've run into in the past.

We are planning a VERB Open House beginning at 6:00 pm to discuss schedule and payment on May 22nd in the formal dining room. During the informational meeting for parents, the campers will have some time to play with our staff and meet new friends. We hope this gives the kids the opportunity to get comfortable before the first day of camp. It also allows you to get some last minute information and ask any questions you might have. Please plan on attending if at all possible.

I'm very excited to be your director this summer. It has been a blessing to be involved with this program and work with all of the kids. Thank you for enrolling your child(ren) in our program. They are a blessing to us!

Blessings,

TJ Klatt-Director
